

# SCHOOL DRESS CODE POLICY

Chapman Valley Primary School has developed this school dress code policy to align with the Education Department dress code for students in public schools policy.

Wearing the Chapman Valley Primary School uniform plays an important part in establishing a positive community identity and contributes to the creation of appropriate work ethic. Acceptance of enrolment at Chapman Valley Primary School assumes an agreement between parents/carers and the student that the student will dress in accordance with the school dress code policy.

Every student is expected to comply with the dress code policy.
